Canada's Railway Centenary

THIS year is Canada's railway Centenary. On July 21st, 1836, Canada's first steam train was operated between Laprairie and St. John, Quebec, over the Champlain and St. Lawrence Railway, the first link in the chain of railways which now constitute the Canadian National System. The opening was made the occasion for a gala celebration at which tribute was paid by the leading citizens of Lower Canada to the founders of the Company. These far-seeing men, whose immediate object was the creation of a transportation link between Montreal and New York, were pioneers of Canada's development. But

perhaps even they could not visualize the vast country that would be built up as a result of the introduction of the steam railway. The sixteen miles of line over which the "Dorchester" Canada's first locomotive, hauled the coaches carrying the distinguished guests of the Company, has developed into the great Canadian National System, with 24,000 miles of line serving Canada from the Atlantic to the Pacific. The drawing, depicting the start of the first train, is from a painting by Adam Sheriff Scott, A.R.C.A., and is reproduced by courtesy of the Royal Bank of Canada.

Sport Fishermen Ready for Season

Canadian fishermen, bored to tears after telling each other all winter about the big ones that got away, will soon be able to make a fresh start. Spring brings the opening of fishing seasons throughout Canada, and indications from inquiries from sportsmen and information from guides pouring into the offices of A. O. Seymour, general tourist agent, Canadian Pacific Railway, Montreal, are that game fish are going to have a hard time of it.

More people are planning early vacations to take advantage of the fishing while it is at its best. Reports from Canadian Pacific Railway hotels in the Maritimes and Quebec, the Devil's Gap and French River Bungalow Camps in Ontario, and bungalow camps and hotels in the Canadian Rockies, as well as favored fishing centres on Canadian Pacific lines

indicate that sportsmen are on the move again. The number of Canadians travelling within Canada and of Americans visiting this country especially for fishing will run into many thousands. In a country the size of Canada, and with its variety of fish and conditions, opening seasons vary widely in the different provinces, a fact shown in fishing booklets obtainable from all Canadian Pacific Railway agents.

Railroader-Actor

Roy Emerson (above), English actor who played Moody, the railway contractor, in the Gaumont-British epic of Canadian Pacific Railway construction through the Rockies, "Silent Barriers", found himself right at home in the part when he went to the C. P. R. mountain division on location. The division was by no means new to Emerson who with his brother Percy served the railway there in 1912. Roy, the actor, as a fireman on "pusher" engines, and Percy as a round-house boiler at Revelstoke where much of the film's local color was filmed. Roy Emerson was a popular figure during the filming of the Canadian railway epic among the railroaders, many of them former associates.

Mrs. Clifford Cooper and Miss J. Wilton visited with Mrs. L. Senecal Thursday.

Mrs. J. W. Shier and daughter, Miss Irene returned from Calgary on Saturday. Miss Irene has just graduated from Normal School.

Mr. Jas. Duck who visited at the home of his two aunts, in Calgary, returned Tuesday.

Life Insurance
Premiums

Toronto—Pointing out that provincial taxation of life insurance premiums increased the cost to Canadian policyholders by \$4,500,000 annually, Victor R. Smith, Toronto, president of the Canadian Life Insurance Officers' Association, today termed the provincial tax "unjust, inequitable, and a tax on thrift" in his presidential address before the annual convention at the Royal York hotel.

Mr. Smith warned that insurance companies may be forced to introduce separate premium scales for each province unless uniformity is reached in provincial taxation, which now ranges from 10 to 33 per cent.

He strongly urged governments to encourage thrift as a means of reducing future relief rolls. With this in mind, he suggested that insurance companies would likely consider bringing before the Quebec and federal commissions on taxation their problems, arising out of what he said was discriminatory taxation of insurance policy holders.

"Some of those which will no doubt be stressed might be mentioned at this time; the inequity of the provincial taxes on life insurance premiums, if such a subject is within scope of the commissions inquiry; also double and triple taxation arising out of the overlapping of provincial succession duty statutes," he said.

"Representations calculated to urge economy in governments in Canada either by consolidating to me of the services of the dominion and the provinces or by reducing the number of services, or both, is another problem to which case study will be given."

"Distribution of legislative jurisdiction over insurance, as between dominion and the provinces was well balanced and should not be disturbed, he advised.

Mr. F. Morrell received word today that little Amber Johnston, daughter of Mr. and Mrs. Harry Johnston, of Three Hills, Alta., but formerly of Cereal, passed away.

Wedding Bells

GLENN-SEEGAR

The home of Mr. and Mrs. L. G. Park, of Hanna, was the scene of a pretty June wedding on Wednesday evening, June 2nd at 8.30, when Miss Bessie Ethel Seegar, daughter of Mr. and Mrs. Paul Seegar, of Chinook, became the bride of Mr. Vernon Andrew Glenn, son of Mrs. J. D. Hill, of Hanna.

The dark haired bride made a very charming picture in her floor length white satin gown with coronet of white gardenias in her hair and carrying American Beauty Roses. Miss Mabel Scott, the bride's attendant, wore a becoming gown of pink net over taffeta. Mr. Howard Robinson acted as best man. To the strains of the wedding march the bride and groom took their places under an archway where the ceremony was performed by Rev. F. J. Hartley.

Following the ceremony a dainty buffet luncheon was served, and the remainder of the evening was spent in singing and dancing.

Mr. and Mrs. Glenn will leave shortly for Langley, B. C., where they will make their home.

COTTRELL-CORNEY

June first was chosen for a pretty church ceremony with blacks massing the pulpit at Knox United church when Elsie Denise, daughter of Mrs. Marv Corney, of Shebo, Sask., became the bride of Mr. Stephen James Cottrell, son of Mrs. W. N. Jones, of Calgary. Rev. Dr. W. Kelloway officiated.

The bride, wearing a smart brown suit with matching accessories and carrying a colonial bouquet of Talishman roses and valley lilies, entered the church on the arm of Mr. W. N. Jones, who gave her in marriage.

Miss Annie Purdy, the bride's only attendant, wore a chic suit of grey and black plaid and carried a colonial bouquet of Madam Butterfly roses. Mr. Mervin Cozart was best man.

Following the ceremony a wedding dinner was served in the T. Eaton Co. coffee room, where the tables were decorated with snapdragon, lilies and streamers and centred with the wedding cake.

Following a short honeymoon in Banff and other mountain resorts, Mr. and Mrs. Cottrell will reside at 723 Fifth avenue west. Mr. S. Cottrell is a grandson of Mr. J. C. Cottrell, of Cereal.

Banff's Winter Queen

Miss Verda Cavanaugh, who will preside this year as Queen of the internationally famous Banff Winter Carnival, which will be held February 10-14 inclusive. Visitors from United States and Canadian points annually enjoy to the full the games and competitions staged at this Rocky Mountain centre.

Castor Minister

At Crescent Hts.

Following a largely attended congregational meeting held at Crescent Heights United church when a unanimous call was extended to Rev. Frank Harback, B. A., B. D., present incumbent of the United church in Castor.

Mr. Harback had stated previously, the congregation was informed, that he would accept a call. Together with his wife and family, he will arrive in the city at the beginning of July to assume his new duties. He succeeds Rev. Nelson Chappel, who leaves at the end of the month for Saskatoon, where he will be installed as minister of Westminster United church.

Rev. Mr. Harback received his high school education at Crescent Heights, and later attended the University of Alberta and St. Stephen's College, in Edmonton, graduating in 1930 as gold medalist of his class.
